BEVERAGE LIST

WELCOME TO SOFIA'S

Our coastal Italian menu has something for every occasion and is all about enjoying simple and delicious food with your favourite people.

We combine Italian flavours and techniques, using the best imported and Australian ingredients. It is with this in mind that we have curated our beverage list.

We have carefully considered each and every wine and spirit in this list, working with our team of suppliers to bring you some of the finest Italian wines. In addition to the Italian selection we have gathered for you to enjoy; we have collected some of the most iconic Australian wines, as well as some lesser known gems.

As a small, family owned business, we believe it is important to support other small businesses across Australia. The vast majority of wines we have sourced come from family owned wineries and distributors.

Great wine can only be enjoyed if served in the best possible condition, it is for this reason that we only use the best Riedel Stemware, store our reds in our Vintec wine-fridge and have a selection of wines served via Coravin, ensuring it will be perfect every time.

Finally, we believe a truly great culinary experience comes from exploration and exiting your comfort zone. We encourage you to ask questions, try new things, and hopefully, find your new favourite delight with us.

BEFORE DINNER

MINERAL WATER

We believe that to best enjoy our food and drinks, you need to pair it with a fantastic water. We serve the award winning Antipodes water that comes from New Zealand's deepest natural water source. Coming from 327m below the surface the water is mineral rich and is bottled unaltered to show off its natural purity. Used and recommended by Sommeliers the world over this is no ordinary water.

AMARO

Italy is known for its tradition when consuming food and drink. One of these traditions centers around these beautiful bitter sweet liqueurs. There are 100s if not 1000s of variations, with each unique blend of herbs and spices a closely guarded secret. Here are some of our favorites

CHAMPAGNE

Champagne has long been regarded as the pinnacle of sparkling wines. Coming from an area in the Central North of France, it was initially "discovered" - somewhat inadvertently - it was once referred to as "the devil's wine," as the presence of bubbles was considered a flaw. Fortunately, this perception has evolved over time, and the art of Champagne production has been meticulously refined, resulting in some of the most exquisite and esteemed wines in the world.

While Champagne is often associated with celebrations, we at Sofia's believe that this does not fully capture its remarkable qualities. We wholeheartedly encourage you to enjoy Champagne at any occasion

ITALIAN WHITE WINES

Located near Verona is Soave, the wines from here are made from the grape Garganega. The wines are light and textured, the better examples offering a generous oiliness on the palate.

The three regions synonymous with Pinot Grigio. Alto Adige and Friuli are cooler and produces high quality wines with excellent fresh acidity.

Marche's best known wine is Pecorino. Named after the sheep, it was said that the pecorino grapes were a favourite of theirs due to its early ripening.

Home to great Vermentino often carries a saline note and pairs wonderfully with seafood.

ITALIAN RED WINES

Piedmonte is home to some of the most food friendly wines Italy has to offer. With Nebbiolo wines such as Barbaresco or the King of Wines Barolo, Piedmonte is a Mecca for wine lovers all over the world.

The region of Valpolicella is special indeed, creating a fantastic array of wines from a blend of grape varieties. By utilising the Appassimento technique the typically light and fragrant wines can transform into something rich and decadent.

Possibly the best known Italian region is Tuscany. Home to the Sangiovese grape found in Chianti. Within Tuscany there is the region of Bolgheri that is responsible to the Italian Wine rebellion and the production of the so called Super Tuscan.

Puglia is known for its fruit forward reds due to its warm dry climate. It is home to the Primitivo Grape that is loved for its dark fruit and ripe tannins

Italy's warmest region, Sicily specialises in varieties almost exclusively grown on the Island. Nero d'Avola found in Mt Etna red wines maintains its bright fruit and acidity despite the heat and offers drinkers light and fragrant wine that is suited to so many Italian dishes.

SASSICAIA - THE ORIGINAL SUPER TUSCAN

Sassicaia was conceived by Marchese Mario Incisa della Rocchetta, who planted Cabernet Sauvignon at the Tenuta San Guido estate in 1944. Growing up in a noble Italian family, he developed an appreciation for the great wines of Bordeaux and aimed to create a wine of similar style and quality for his personal enjoyment. The early vintages were modest until 1968, when, with the assistance of winemaker Giacomo Tachis, they produced the first vintage deemed ready for commercial release.

Initially met with skepticism from traditional Italians, Sassicaia ultimately gained international acclaim, leading to the establishment of the Super Tuscan movement and earning its own DOC in 1994.

They pour this wine straight from the barrel into a bucket and have the lucky few drink it from a ladle. In homage to this unique tradition we decant our Armagh into a crystal bucket. Cheers!"
